         E-mail Advisory from the Technology Utilities Council
                           1-NOV-2000

Significant changes are going to be made to the IUP e-mail environment
effective 20-DEC-2000. The first change will be a substantial
increase in all default e-mail quotas. Quotas for employees will
