## Career Opportunities:

The General Management track emphasizes the achievement of organized goals through the efforts of organization members, preparing you for a leadership role in the competitive world of business. Your Bachelor of Science degree in Management prepares you for diverse and rewarding careers in a wide variety of businesses and industries in public, private, and non-profit sectors. The US Bureau of Labor Statistics projects that employment in management occupations will grow faster than the average for all occupations generating up to 550,000 new jobs from 2019-2029! ([www.bls.gov/ooh/management/home.htm](http://www.bls.gov/ooh/management/home.htm))
