Eberly College of Business and Information Technology

Bachelor of Science

2020-21

<https://www.iup.edu/management/undergrad/internationalbusinessbs/>

**Program Description:**

The bachelor of science degree program in international business offers students an opportunity to acquire a thorough understanding of managing global operations in the contemporary business environment. In addition, students develop skills in a traditional functional area (finance, human resources, marketing). The combination of these two objectives enables students to successfully perform in a competitive global economy.
