Mathematics is the language of the universe. It is the key to understanding the world around us.

It is a beautiful and powerful tool that has shaped human civilization for centuries.

Let us explore the wonders of mathematics together, and discover the beauty of numbers.

Mathematics is not just a subject, it is a way of thinking. It is a journey of discovery.

Let us embark on this journey together, and see where it leads us.

8. Sarah will need early access to the building to set up videotaping equipment.

WF will make sure that she can be there by 8 AM.

9. Advertising for our next event should begin soon. It is likely this event will be in early to mid-February (the 10<sup>th</sup> or 17<sup>th</sup>).

10. The Minutes of last meeting were unanimously approved at 11:45 AM

11. WF will ensure that all doors to Stright Hall will be opened and accessible to workshop attendees on Dec. 2<sup>nd</sup>. Signs will be posted on all doors to guide participants to the location of the workshop.

12. BR will provide name tags for all participants.

13. DF will ensure that HR has received our event registration and will update staff info to include all of our names.

14. WF will be a timekeeper for the Communication skill session at the workshop.

15. Krysta and Jennifer will be presenting on Research, Technology, and the
