7. Student Responsibilities
   a. Maintain academic standards for 2020-2021 Academic year (3.2 GPA, on time graduation).
   b. Participate in the DoD internship (if requested).
   c. Must abide with the follow IUP project requirements.

   Attend all monthly meetings.
   Promptly respond to all communications from your PI, and DoD CySP, and your DoD agency.
   Promote the DoD CySP and cybersecurity around IUP.
   Participate in extracurricular actives such as:
   - Ø Cybersecurity Club.
   - Ø Cyber Competitions.
   - Ø IUP Cybersecurity Day (Oct. 20).
   - Ø Cybersecurity Seminar (Nov. 5).

   Update Dr. Farag with your academic progress and academic concerns.
   Work with project PI and Co-PIs on relevant cybersecurity research projects and events intended to enhance the CySP at IUP.
   Create and submit a cybersecurity portfolio with your involvement of cybersecurity-related activities such as:
   - Ø Club meetings, colloquia, workshops, conferences, and relevant activities.

   You can still attend virtual cybersecurity conferences.

8. Peer Mentoring

   Returning students will provide guidance to the new students to implement an effective peer-mentoring program. The assigned groups are:
   - Ø Kaishia and Brooklyn will assist Nicholas, Jacob, and Eddie
   - Ø Tim Troy will assist Dylan Dewalt
   - Ø Rodney will assist Cassandra Lefever

9. Renewal

   Mainly based on academic merit and performance as well as fulfillment of the obligations listed above.

10. Meeting Adjourned at 9:56am

The next meeting of the IUP DoD CySP group will be around early Oct. Time TBD.

Respectfully Submitted By: Edward Pykosh and Dr. Waleed Farag
