II. E. Catalog Revisions:

1. The catalog/program revisions for PSYC – BA Psychology and BA Psychology / Honor Program in Psychology will be returned to the department. The hours listed in the old program do not match the current catalog listings so there is no way to be sure what changes are being made.

2. Asamoah/Evering motion to approve with minor revisions the
GEOG

Proposers do not need to do anything extra for this section as those objectives should be part of their course content. We think that a form needs to be created to add to the UWUCC handbook that would then be attached to the cover sheet/proposal. We would also need to update the handbook checklist for LS courses.

2. The Director will also work with the UWUCC to see what they will want to see in cases of a minor course revision.
