ANNOUNCEMENTS:

Dr. LaPorte introduced the newest faculty committee members, Todd Potts and Mary Jane Kuffner Hirt.

Dr. LaPorte raised the possibility of the committee being convened during the summer if proposals come in with some urgency. No one opposed this, though some may not be available. Depending on the timing of the meeting, quorum could be a challenge.

Dr. LaPorte raised the possibility of restructuring from 2 to 3 subcommittees, given that the UWGC is now full. After discussion, the committee chose to continue with 2 subcommittees.

The Committee set a tentative agreement to meet shortly before the special Senate meeting of 4/10/07 to determine if there are any pressing matters that take precedence.

Discussed setting a deadline for in-coming proposals. The Committee opted not to set a deadline, though Dr. LaPorte will encourage potential proposers to submit proposals soon for initial review this spring.

Dr. Williamson provided a report on contract negotiations.

Dr. Boser distributed the following:

- COMM 614 Instructional Computing Basics (Graduate Distance Education Review Form)
