On a Pararai/Greenawalt motion, the minutes for January 27th were approved as presented.

III. Co-Chairs Report

A revision was received for EDSP 479 which included most of our suggestions and significantly improved the catalog description and evaluation section of the course.

All of the Biology proposals have also been added to the March 3<sup>rd</sup> Senate Agenda.

On today's agenda we have several proposals that Liberal Studies reviewed (they now have 10 days for their review and are doing it so far online). Dave sent his comments and they are attached to the co-chair's copy. In the future we will attach them to the PDF.
