<p><b>Rationale for Proposal</b></p>	
<p><b>(I) Why is this being proposed?*</b></p>	<p>A leadership minor at IUP offers a proven multiplier for all IUP students. The leadership minor will showcase our students' ability understand and apply situational leadership regardless of their chosen field, utilizing leadership styles to motivate team members to provide for highly effective teams. The course work of the Community and Civic Leadership minor examines effectively leading change in local and regional communities and non-profit organizations. Students will be exposed to the planning, managing, evaluation of services, while building effective intergovernmental and intra-organizational relationships. Opportunities exist for experiential applications in student and local non-profit organizations.</p>
<p><b>(J) What role, if any, does it serve the College /University above and beyond the role it serves in the department?*</b></p>	<p>This minor is open to all students enrolled at IUP and provides opportunities for students to apply leadership skills to their chosen fields of study.</p>
