Rationale for Proposed Changes	
(A) Why is the program being revised?*	<p>A proposed program revision will combine the three teamwork and leadership minors under one program, to better utilize university resources. Currently, the Civic and Community Leadership minor contains only a handful of declared students.</p> <p>The new minor, Team and Leadership Skills, combines all the original coursework of each minor and provides students the opportunity to explore leader attributes with regard to either professional or community environments. A change at this time will streamline the matriculation of students currently enrolled in all team and leadership minors since all students have only completed the common core coursework.</p>
