

Part II. Description of Curriculum Change

1. A complete catalog description with the new number, title, number of credits, class and lab hour designation, prerequisites, and an

ACCT 492 Internship in Accounting 3 cr 2.6 cr

Prerequisites: Approval of the Eberly College of Business and Information Technology (ECOBIT) internship coordinator, Department of Accounting Chairperson, and ECOBIT Dean. Must have completed a minimum of 60

toward the accounting major area electives. The number of credits earned depends upon the nature of the job and amount of time involved in the internship.

3. Justification/rationale for the change.

- This proposal merges the two previous Internships in Accounting into one. There is no need to distinguish between the two internships.
- This proposal brings the two different GPA requirements to one to enable more predictability for students.
- With regards to changing the number of credits that can be earned from this accounting internship, the rationale for this change is that
