

## Part II. Description of the Curriculum Change

1. Deletion of CHEM 301 (Introduction to Chemical Research) from College Catalog
2. CHEM 301 has been replaced by CHEM 390 (Chemistry Seminar II).
3. No effect on students, CHEM 390 offered same semester as was CHEM 301. Name, number and syllabus change were employed due to new, three-course (CHEM 290, 390
