Part II. Description of the Curriculum Change

1. Deletion of CHEM 321 (Quantitative Analysis) from College Catalog
2. CHEM 321 has been replaced by CHEM 325 (Analytical Chemistry I).
3. No effect on students, CHEM 325 offered same semester as was CHEM 321. Name, number and syllabus change were employed due to revision of the analytical chemistry (CHEM 325 and 326) sequence.

Part III. Letters of Support or Acknowledgement
