Program Revision for Minor in Educational Technology

Part II. Description of Curriculum Change

1. Catalog description

There is no catalog description with this minor other than what is contained in the program description for the Department of Communications Media that refers to the Minor in Educational Technology and that description will not change.

2. Summary of changes

OLD PROGRAM

Minor - Educational Technology	**24**

Part III. Implementation

1. This revision will have no effect on students already in the program.
