Subject: RE: Request of Letter of Acknowledgement/Support on COSC curriculum changes--RE

Dave

Faculty in the Department of Technology Support & Training have reviewed your proposal for revision to the Computer Science Curriculum.

proposed; specifically, the deletion of COSC 304 Interactive Internet Programming with Java. Students enrolled in the Bachelor of Science--Business Technology Support program will be given the opportunity to select COSC 310 as a controlled elective in place of COSC 304
