Rationale for Proposed Changes	
(A) Why is the program being revised?*	The program is being revised to address courses that are no longer taught and changes in courses. The Controlled and Upper-level electives have been restructured for clarity and to conform with the manner in which they are normally listed individually with name in the catalog. The requirement for Natural Science option 1 has been removed due to relaxation of this requirement by the ABET accreditation agency. The SLOs are being revised to conform with the new set of Outcomes required by the ABET accreditation agency.
