Dr. Donald Walker, Chairperson
Economics Department

Dear Dr. Walker:

It is a pleasure to approve your department's request for a revision in the Economics track of the secondary Social Studies Teacher Education Program. This hard work by your department culminates over three years of work by department faculty in history, geography, sociology-anthropology and economics to move our secondary social studies programs to a level of enhanced academic rigor. On behalf of the Teacher Education Coordinating Council and the College of Education, let me express my sincere thanks and appreciation to you for this significant proposal.

Sincerely,

Cashdollar;Dept.L2

APPENDIX I

PDE STANDARDS FOR SECONDARY SOCIAL SCIENCES:

Standard I: The program shall require studies in history, economics, comparative economic systems, government, political science, comparative political standards, geography, anthropology, sociology, and social psychology.

The standard is met by requiring at least one course in most of the above areas. The comparative economic systems standard is met through topics covered in EC121 and EC122 and SO237. Social psychology topics are covered in PC101.

Standard II: The program shall require concentrated study in one of the

Standard IX: The program shall require studies of the social studies curriculum regulations and of contemporary social studies trends.

~~This standard is not to be used as a basis for...~~
