PART II: Description of Curricular Change

Proposed Catalog Description:

ENGL 307 Contemporary British Literature

3cr-01-3cr

Prerequisites: ENGL 122, 202; one of 210-213 or 226

Examines major works and trends in contemporary British literature, such as late modernism, postmodernism, the age of diminishment, or key novelists, dramatists, and/or poets from the

period 1945 to the present. Rather than survey the period comprehensively, the purpose here is to

focus closely on particular aspects or writers as selected by the instructor.
