Rationale for Proposed Changes (All Categories)	
<b>(A) Why is the course being revised /deleted:*</b>	We are changing the name and minimally revising the catalogue description (changing TESOL to applied linguistics) to reflect ongoing programmatic curriculum revisions and a program name change. Current critiques and understandings of the term "TESOL (Teaching English as a Second or Other Language)" see it as a deficit model of language acquisition. This deficit model is one in which the focus of the model is a narrow one that is concerned with the acquisition of English rather than on the multi-linguistic /translingual capabilities of an individual. The proposed changes reflect this current thinking in the discipline.
