Integrate and apply what is learned to current nutrition guidance

(P) Why is this

The *Journal of Nutrition and Dietetics* is an international journal covering natural resources, societal systems, and individual choices. Each of

(V) Implications for Other Departments*

A. What are the implications for other departments?

(For Example: overlap of content with other disciplines, requirements for other programs)

None; it could be an additional course for the Sustainability Minor.

B. How have you addressed this with other department(s) involved? What was the outcome of that attempt?

(W) Attach Supporting Documents for Implications,

if Necessary

(X) Are the Resources Adequate?*

File

Modified ^

(i.e. faculty, space, equipment, laboratory supplies, library materials, travel funds, etc.)

YES

Please Provide Comment:

The Food and Nutrition Department has qualified faculty to teach the course and Sustainable Nutrition has already been part of the Food and Nutrition Department schedule and workload.

Distance Education Section

- Complete this section only if adding Distance Education to a New or Existing Course

If Completing this distance education

**Brief Course
Outline**

Give an outline of sufficient detail to communicate the course content to faculty across campus. It is not necessary to include specific readings, calendar or assignments

As outlined by the federal definition of a "credit hour", the following should be a consideration regarding student work - For every one hour of classroom or

direct faculty instruction, there should be a minimum of two hours of out of class student work.

- I. What is Sustainability?
 - A. Overview of the US agricultural system.
- II. Issues with the Current US Food System
 - A. Principles of a fair food system
- III. Sustainable Agriculture
 - A. US Meat Production
 - B. US Fish Production
- IV. Food Processing: From Farm to Market
- V. Local Food: Issues and Answers
- VI. Sustainability in Food Processing
 - A. Sustainability on the Retail Shelf

How is/are the instructor(s)

Qualifications in Distance Education: I have been teaching at IUP since Fall 2013. I took advantage of the D2L Self Directed training Course for Instructors and have been using D2L exclusively for all of my courses. This course was

For each

The online course is organized in a modular format addressing different concepts. Evaluation consists of 4

How will the instructor-student and

student-student interaction take place?

(if applicable)

Dr. Laquatra will hold online office hours in addition to campus office hour appointments. The LMS will be the primary vehicle for communication among students and the instructor. Features of the LMS to be used include the calendar, discussion forums, the dropbox, and chat:

- **Calendar:** The instructor will provide specific assignment due dates and announce instructor availability for online office hours through the LMS calendar feature.

How will student

The evaluation methods used in this course are the most appropriate to follow

How will

The following methods will be used to ensure the academic integrity in the course:
