Part II. Description of the Curriculum Change

- 1) A catalog description.

GE 511 History of Geography

3c-01-3sh

Deals with history of the discipline, great ideas, leading professionals, and unresolved issues.

- 2) Change of name from **GE 511 Thought and Philosophy in Geography and Planning** to **GE 511 History of Geography**.
- 3) Justification/rationale for the revision.

This course whose primary emphasis has been the history of geography is more accurately entitled the History of Geography, the informal department name for many years. The present title, Thought and Philosophy in Geography and Planning, inadequately conveys the course as taught.
