New Course Requirements

GE 352 Planning Methods

techniques in urban

3) Justified by the

separate sector. This will improve

by clearly identifying Regional Planning as a

The diagram shows a flow from 'Regional Planning' to 'Urban Planning'. The 'Urban Planning' box is divided into two sub-sections, 'Urban Planning' and 'Urban Planning'. The text '3) Justified by the' is positioned above the 'Urban Planning' sub-section. Below this, the text 'separate sector. This will improve' is visible. The bottom portion of the page contains a large, faint, and mostly illegible text block, likely representing a continuation of the curriculum description or a list of related courses.
