Part II. Description of Curriculum Change

1. Catalogue description

HIST 206 History of East Asia

3c-01-3sh

History of China and Japan from ancient times, Buddhism, medieval Japan, Chinese

2. Description of proposed change

The proposed change is to re-number the old HIST 335 as 206

Old catalogue description HIST 335 History of East Asia

3c-01-3sh

History of China and Japan from ancient times, Buddhism, medieval Japan, Chinese Communism, industrialization. Some consideration of peripheral Asia from 1500.

3. Rationale

The course as it is described and has always been taught is a survey class which fits much better with the department's 200-level surveys then as a 300.

Liberal studies IV

	A. This course will be taught in a single section by a single instructor.
	B. The course will deal with ethnic and racial minorities at several points. The Qing dynasty was controlled by an ethnic minority, the Manchus, and we will look at both the creation of Manchus identity and the movies of the Manchus consideration and at the Qing creation.
(FS	
r	
<u> </u>	unified Chinese ethnic identity becomes an important theme. Cohen's book deals with this at some length, as do some of the readings in Baumler. We will also look at the Communists' attempts to privilege class identities over racial and ethnic ones. (the theme of Yang and
Acc.	
	Wang's books) and the problems this has created. With a grant of the arrivative of the continue of the contin
