

Part II. Description of Curriculum Change

1a. Catalog Description of Revised Program

Programs in history are designed to give students an opportunity to study in some depth the past story of

a major in History and the Bachelor of Science in Education with a major in Social Studies, concentrating in history. The social studies education program prepares students to teach at the junior- and senior-high school levels.

The history student will find that the program is excellent preparation for government service, for pre-law training, for broad business opportunities, for work in varied fields of journalism, for public history positions, and for teaching. Not only the story of the people of the United States but also that of other

Part III: Implementation

1. How will the proposed revision affect students already in the existing program?

With the exception of providing students another course option at the 2XX level, there will be no effect on students already in the program.

2. Are faculty resources adequate?

The proposed revision is based on the existing curriculum and this
