VII. Required textbooks, supplemental books and readings

Silvers, Julia Rutherford (2012). *Professional Event Coordination*, New Jersey: John Wiley and Sons.

Course Analysis Questionnaire

Section A: Details of the Course

A1. How does this course fit into programs of the department? For which students is the course designed? (majors, students in other majors, liberal studies). Explain why the content cannot be incorporated into an existing course.

Course will be a required course for Hospitality Management majors. Breadth and depth of course content cannot be adequately covered as part of an existing course.

A.2 Does this course require changes in the content of existing courses or requirements for a program? If catalog descriptions of other courses or department programs must be changed as a result of the adoption of this course, please submit as separate proposals all other changes in courses and/or program requirements.

This course does not require changes in the content of existing courses. Course will be

HFT 3754 Expositions and Events Management Florida International University HM 413 Special Events and Meeting Management James Madison University TCA 488 Special Events Management University of Nevada Las Vegas Is the content, or are the skills, of the proposed course recommended or required by a A7. nrofessional society, accrediting authority, law or other external agency? If so, please

B4. Will seats in this course be made available to students in the School of Continuing Education?

Yes.

Section C: Implementation

C1. Are faculty resources adequate? If you are not requesting or have not been authorized to hire additional faculty, demonstrate how this course will fit into the schedule(s) of current faculty. What will be taught less frequently or in fewer sections to make this possible? Please specify how preparation and equated workload will be assigned for this course.

Faculty resources are adequate with the addition of an approved faculty position as of Fall 2014. This course will be assigned to faculty as part of their normal instructional workload.

What other resources will be needed to teach this course and how adequate are the

	C5.	How many sections of this course do you anticipate offering in any single semester?
		The offering of two sections per single semester is anticipated.
	<u>C6</u>	How many students do you plan to accommodate in a section of this course? What is the
