**New Program**

**Bachelor of Science—Management/Operations Management Track**

**Liberal Studies:** As outlined in Liberal Studies section with the following specifications:  
**Mathematics:** MATH 115

55-57

**Rationale for Change:**

The management department is putting through program revision for concentrations in Operations Management and General Management. The department has decided to change the name from concentration to track to

make it more consistent with the university nomenclature (i.e. Geography). To make the names consistent within the department, the department wishes to change the name of Entrepreneurship and Small Business Concentration to Entrepreneurship and Small Business Track.
