Subject: New Program Proposal

To: Senate Curriculum Committee B-2

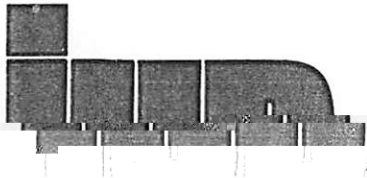

From: J.M. R. Hartman
Mathematics Department

Handwritten note:
11-1-70

I hope that this brief statement concerning our proposed revision of the

sheet with the new program included in the main body of the document will see that the new

The first part of the document is a preliminary report on the work done during the past year. It is intended to provide a summary of the work done and to indicate the progress made. The second part of the document is a report on the work done during the past year. It is intended to provide a summary of the work done and to indicate the progress made.
