Rationale for Proposed Changes	
<p>Why is the program being revised?</p>	<p>Changes to the Bachelors of Science in Nursing curriculum are a result of changes in the Biology Department curriculum. These changes are supported by Nursing</p>
<p>Identify the Program Student Learning Outcomes (SLO). Mark any SLOs that are changing as a part of the Program Revision.</p>	<p>None</p>
<p>Implication of the Change on:</p> <ul style="list-style-type: none"> - Program - Other programs - Current Students 	<p>. Students will no longer be required to take BIOL 105 Cell Biology, a three credit course. Students instead will complete the following three 4-credit courses: BIOL 150, BIOL 240, and BIOL241. The total number of BIOL course hours that students currently take is equal to 13 credit hours. The proposed revisions will reduce this to 12 credit hours. Students may use the additional contact hour towards courses in our major</p>
