PART II. DESCRIPTION OF THE CURRICULUM CHANGE

1. Brief Description of what is to be deleted

PHIL 483 Independent Study--Honors

2. This inactive course is being deleted to free up the number 483 so that the UWUCC can establish 483 as the university's standard number for undergraduate honors theses.
3. The old PHIL 483 is an inactive course that has not been used for at least ten years. Its removal will not affect current or future students. It is expected that the new university-wide thesis number will be activated for current and future philosophy majors.
