#### Electives – Choose 4 Courses

ANTH 444 Medical Anthropology

#### Electives – Choose 4 Courses

CRIM 102 Survey of Criminology

**Applied Research Track (Substantive Area Changes for Controlled Electives)**

**List of all associated changes and rationale.**

**1 CDFR prefix changes**

**Rationale:**

Prefix changes from HMEC to CDFR are already reflected in the catalog for Interpersonal and Family Sociology substantive area.

**2 Criminology Changes**

**Rationale:**

We need to remove courses that are no longer being offered by Criminology in the Juvenile Delinquency substantive area in the Applied Research Track.

- CRIM 451 (Etiology of Delinquent Behavior) is no longer offered and will be removed, leaving SOC 333 (Delinquency and Youth) as the only required course.
- Under the electives, CRIM 270 (Juvenile Justice Systems), 361 (Juvenile Law), 370 (Correctional Institutions) and 451 (Etiology of Delinquent Behavior) will be removed as they are no longer offered.

**Rationale.**

The following information is based on a selection of controlled elections in the respective
