# **Bachelor of Science in Education--Social Sciences Education/Sociology Concentration**

## **1. Description of Curriculum Change**

SO 459 (Development of Social Services) will be deleted as a controlled elective in the Social Structures and Processes.

## **2. Old and New Comparison**

B. 1. 1. 68 in main Education - Social Sciences

### **3. Rationale for Curriculum Change**

SO 459 is being deleted as a Sociology course since it is no longer as relevant to the Sociology curriculum as

Department of Political Science

RE: PS 354 - Metropolitan Problems

Dear Kay:

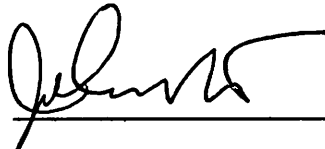

The Department of Political Science offers PS 354 - Metropolitan Problems once per year and typically in the Fall Semester. The course is dual level and generally draws students from a variety of majors.

To designate it as a required course for the Sociology/Urban

Sociology Undergraduate Education Committee  
102 McElhaney  
IUP

Dear Members of the Sociology Undergraduate Education Committee:

The College of Education approves the deletion of SO 459 (Development of Human Services) as a controlled elective in the Bachelor of Sciences in Education-Social Sciences/Sociology Track.
